This is an informational guide to the 'earshot' community regarding the
ULSTER POLICE FIRING RANGE
located at 259 Ulster Landing Rd in East Kingston

1. We have reduced the number of agencies that will participate at the range from (9) to (6). Participating agencies: Ulster Police, KPD, UCLE Academy, UCSO, NYSDEC and UC Probation. (Agencies let go: Saugerties, Olive and NYS Unified Courts)
2. We have reduced the number of days the range will be utilized from approximately 160 to 110 days.
3. Scheduling is being completed and will be posted on the department's Website (www.ulsterpolice.com). The schedule will be updated as changes occur. The specific hours are Monday thru Friday 9-5pm and the hours of 12-8pm will ONLY be used during the fall months of Oct, Nov, and Dec (for low light training).
4. Lt Barringer has been assigned as the Department's '**Point of Contact**' with the public having access to contact him by cell phone at 389-6662 with their concerns about range shooting.
5. Residents are requested that if they hear firing outside the time schedule mentioned above or anything that sounds abnormal to call the Ulster Police Dept at 382-1111. Report the incident, so a patrol can be dispatched.
6. As a reminder shooting will not be constant during the time periods mentioned, due to TRAINING requirements. The range will be utilized under the guidelines of an agency's trained Range Instructor.
